### WELCOME TO CHRISTMAS AT TRINITY

Getting ready for Christmas brings out the best in us. You can see that in the preparations that are already happening at Trinity. In worship and music, giving and service, the Christmas Spirit is leading us to a joyful celebration of Jesus' birth and its meaning for our lives.

The day and the season brings us together through memories of the past, anticipation of the future, and the joy and wonder of the present. I look forward to being with you as this celebration progresses and unfolds. May our eyes be opened to Christ's presence; may our lips be ready to sing his praise; may our hearts be ready to receive him; and may our hands be opened to serve him.

Trinity offers these Christmas worship opportunities:

December 24<sup>th</sup>, 5:00 pm—Family Christmas Celebration

December 24<sup>th</sup>, 7:00 pm & 10:00 pm—Christmas Eve Candlelight Worship

December 30<sup>th</sup>, 8:15 am & 10:30 am—Service of Readings and Carols

January 6<sup>th</sup>, 8:15 am & 10:30—Festival of the Epiphany of our Lord

This year we get to celebrate the full Christmas experience. Christmas Eve will highlight Luke's Christmas story. On the 30<sup>th</sup> we will hear from John's gospel. And on January 6<sup>th</sup> we will hear from Matthew: Three different stories, one great celebration. As we are gathered around the manger may our lives be drawn into the light and peace of Christ. Merry Christmas and Happy New Year to you all.

Yours in Ministry,  
Alan Schulz  
Interim Pastor

### TIME FOR A CHECK-UP?

Enclosed in this month's newsletter is an inventory for a personal spiritual check-up. At a time when people are thinking about a new year and how they would like this new year to go, this may be a help to get you off on the right foot. It may also be helpful to review the interim questions that were handed out in November as you do this survey. The interim pastor is available to answer your questions or talk about your concerns regarding this inventory.

We are gathered together in the life of Christ and his mercy mission:  
to live among God's faithful people,  
to hear the word of God and share in the Lord's supper,  
to proclaim the good news of God in Christ through word and deed,  
to serve all people, following the example of Jesus,  
and to strive for justice and peace in all the earth.  
May this exercise affirm our faith and renew our zeal for living it.

The Christmas season is upon us! It is such a blessing to be in a Christian school where we are able to share the amazing story of Jesus' birth. Through books, songs and play, the children are learning the true meaning of Christmas.

Come downstairs and check out our display of "Who else was a baby like Jesus?" The children and staff have brought in baby pictures and it is such a delight! The kids love knowing that Jesus came into the world just like us! In Chapel this month the children quickly noticed the beautifully decorated sanctuary. We talked a little bit about items in the sanctuary that help remind us of the Christmas story. We talked about how God sent us the most precious gift of all, his son Jesus. We then learned about the legend of the candy cane and how there was a candy maker who loved Christmas so much that he wanted to honor God by sharing a piece of candy that could help children recall the Christmas story. The candy was molded into a solid hard piece to represent our mighty God. He chose the color white to symbolize the pureness of God. A curve was added in the stick to represent the shepherd's staff and once turned around a "J" for the sweet name of our savior, Jesus. The red stripes on the candy cane represent the blood he shed for us and for God's love.

We have collected diapers and wipes for Elizabeth's Hope Resource Center this month. Our families are so generous and I will be taking an amazing amount of diapers and wipes that will be shared with families in need. Our little elves have been very busy, making gifts and cards for their families, playing in the gift wrap center, learning the Christmas story and counting down the days until Christmas. Of course we have been practicing so hard for our Christmas program. It is the highlight of our year as the kids sing and celebrate Jesus' birthday!

The Preschool will be closed December 21 through January 6 as we all celebrate the season with friends and family. A joyous and blessed Christmas to you all!

## *Greetings from Council President*

Another year will soon be ending with a new one to be beginning. God is good and has given us many blessings as well as helping us with the challenges of this past year. He will do the same in 2019! Trinity will be facing more challenges as we move forward as there are still many decisions to be made. Some will be difficult, some will challenge us to think in different ways, and some will be joyous as those decisions will move Trinity forward to do God's future work. I am blessed with my own family but I am blessed to also have a church family here at Trinity. Thank you for all you do. Please continue to pray for Trinity, our church family, and our future. Have a safe, joyful, and blessed Christmas!

Kim Manson

On Sunday, December the 2nd, approximately 15 individuals toured Trinity to enjoy our stained glass windows. Thank you to Sally Hafey, Kim Manson and Brad Thompson for providing soup and sandwiches for our visitors. There were many comments on how beautiful our church is-not only the windows but also the Christmas decorations and our cross wall..

Thank you so much. God Bless each of you that made our thanksgiving so much better. We are very grateful and thankful and we will not forget your kindness. With love and prayers. Doug and Juanita Harper.

Your thoughtfulness during this difficult period in my life was very much appreciated. It is nice to know that there are folks like you still out there helping folks like me. May you all have a blessed holiday season and a time of love and sharing with family. Dawn Petty and family.

A special "thank you" to everyone for helping decorate the church. Special thanks to the Boy Scouts for taking care of the high wreaths. Thanks, Liz Young.

Dear Trinity: On behalf of Berger Hospice we thank Trinity for hosting Light Up A Life again this year. We think it is a good program for the community and for Hospice. Your participation is much appreciated.  
Jennifer Sneed for Berger Hospice.

Thank you to everyone who baked cookies for the Longest Night Concert held on Sunday at St. Philip's Episcopal Church, and for those choir members who participated and for Kim Manson, Cindy Dowden and my mother, Marguerite Shelton for their help in setting up and cleaning up. It was a beautiful concert and I am sure that Florence was smiling down on us.

Billie Norris

Dear Outreach Team, Thank you so very much for the Wal Mart gift card. It is always special to receive a sweet gift from my church family when I am away at school. Blessings,

Emily Faler

### December 2 Lesson – God Makes the Sun Stand Still

**God is our Defender.** Joshua led a small, weak army of Israelites into battle against five unified armies. The Israelites are fighting to defend another population, the Gibeonites. In turn, God defends the Israelites, sending their enemies into a panic and causing the sun to stand still so they have time to defeat their enemies. God is our defender too. Students could relate to the bullying aspect of the story. They might have been picked on by a bully and certainly have seen other students fall victim to bullies. We helped students see that even when others are mean to them, God is their defender. And when they see others who are not being treated well they can step in and show kindness. The preschool students made suns out of paper plates and tissue paper to help them remember the story.

### December 9 – Jesus is Born in a Stable

**Jesus is Humble.** Despite being the king of the universe, Jesus comes to earth in the most humble form: a baby. He's not born in a place or fancy home; He's born in a stable to lower-class parents. Jesus is humble, and He shows it in His humble birth. Humility seems to be a lost art form these days. Our culture teaches children to have a "me, me, me" attitude. And most children naturally focus more on getting than giving. We tried to help the students see that Jesus came in a humble way even though he deserved the very best. Our preschool class decorated for a party for Jesus, but then one by one we took down all of the decorations because no one had a party for Jesus when he was born. We shook soda cans up to see them explode, that is what we expected. But then we shook another can up, but tapped on the side before opening, the students thought the can was going to explode, but it didn't, that is not what we expected. Jesus wasn't what everyone was expecting. He did not have fine clothes, jewels, and wealth.

## An Opportunity to Speak Your Mind

Several years ago, when Trinity went through the Listening Post process, one of the best outcomes from that was the “Parlor” meetings we had to discuss the issues. I feel that is needed again. I would like to schedule two meetings, to again be held in the Parlor, to provide a platform for everyone to air their feelings on where Trinity is now, how we got here, and how to move forward. I have invited Pastor Schulz, the Church Council, past Presidents of Trinity, and the Call Committee that was assembled to call Pastor Kraus.

It is my prayer that we can assemble as a church family and, in love, discuss our opinions; both positive and negative. It is also my prayer that we can, in love, clear up any misconceptions with facts. The meeting will be on 1/6/19 at 12:00 noon in the Parlor and on 1/13/19 at noon in the Parlor. I have offered to chair this meeting.

We are church family and it is time we communicate as family.

In the interest of full disclosure, this is my idea. I have the blessing of Pastor Schulz and Council to have this meeting. Any questions, seek me out.

I love Trinity.

In Christ, Tim Stevenson
